DEAR ED:

On behalf of R.W.D., I would like to send our sincere thanks to you and your personnel for the timely and professional efforts that were put forth in replacing our existing roof, without interrupting our production.

I would not hesitate to recommend you and your company to anyone seeking to have a high quality roofing job done at a fair price. You give true meaning to "Customer Service".

Keep up the good work and thank you once again.

Sincerely,

Ronald W. Downer/President
